THE EDITOR has pleasure in presenting to the public THE GAEL ALMANAC for 1875, and trusts that friends of the undertaking will duly appreciate its value, and sympathise with him in the earnest desire that the work should be worthy of the people for whom it is specially intended. In order to the accomplishment of this desirable end, it is very important that Highlanders at home and abroad should not only show their appreciation of their own Almanac by purchasing it, but that they should make such suggestions as they may consider likely to promote its usefulness. Hints for the improvement of next year's issue, and information tending to the same end, will be carefully considered. Highlanders everywhere should, then, heartily join the Editor in the effort to overcome the great difficulties in the way—difficulties to which is to be attributed the defective state of the present issue, which is deeply regretted by him. Shoulder to shoulder, Highlanders! and remember that on the support you give the Almanac will depend its prosperity, your own and the publisher's credit. Let it not be said that there is not enough spirit in our ranks to put us into the position of having in our mother tongue one of the most complete Almanacs published. Let patriotism take this practical turn, and we will thus prove to those who seek to stamp Gaelic out of existence, that there is much vitality in it yet.

Clerks of Presbyteries, and Clergymen of the various religious denominations, Secretaries of Societies and other Institutions which have a bearing on the objects of the Almanac, and all who may have acquaintance with the names of Chiefs, Badges, War Cries, Marches, Salutes, Gatherings, &c., of the Highland Clans, will much oblige by furnishing information regarding them to the Editor.

Ged nach robh a pharantan saoihrich rinn iad luim air deagh sgoil a thoirt da: fhuair e ionnsachadh ministeir. An deaghaidh dha barantas-teagaisg fhaotainn, ghabh e ri gairm bho a luchd-dùthcha ann an Nova Scotia. Am measg an t-sluaigh sgapte sin shaoithrich e fad a bheatha. B'esan an ciad mhinisteir Gaidhealach a chaidh a null do 'n dùthaich ud. Eadar Nova Scotia, 's Ceap Breatunn, 's Eilein Phrionns Edward, bha an raon farsainn, fiadhaich gu leoir: ged is mor an diugh baile Phictou cha robh 's an am ud ann ach da thigh.

Dh' fhuilig e ioma cruaidhchas a's uireasbhuidh a' saothreachadh am measg nan Gaidheal, ach bu bheag a thaing air a shon bho chuid diubh. Bu Bhaisteach e. Rinn Ardsgoil Ghlaschu ollamh dh' e. An deireadh a laithean sgrìbh e moran laoidhean; ach a thaobh gu'n d' rinn e roinn diubh air fonn orain "Dhunnachaidh Bhain," thug e oilbheum gun aobhar do chuid de 'n chothional—'s thaing triallanach mu 'n cuairt a thog tuaireap a's bristeadh 'n am measg, ni bha 'n a dhuilgheas dhasan am feasgar a laithean. Chaochail e air a' chiad latha de 'n Mhart 's a' bhliadhna 1830 'n a thri fheadh bliadhna 's a deich a dh-aois, 's e bhi da fhichead bliadhna 's a sia 'n a mhinisteir am Pictou.

EOBHAN MACLACHAINN.—Rugadh e 'n Coir-Uanain an Lochabar's a' bhliadhna 1775. Dh' eug e 'n Abareadhain's a' bhliadhna 1822. Thugadh a chorp dhachaidh's chaidh a thoidh-laiceadh 'n a ùir dhuthchasaich an Airdghobhar. Bha shinnsir ioma linn an seilbh's Coir-Uanain. Thainig iad an tus às a' Mhorairne do dh-Airdghobhar, 's chaidh iad a sin do Lochabar. B'iarogha Eobhan do "Dhonnall-Ban-Bard," comhaise Shir Eobhan Lochial. Bha 'athair, "Donull Mor," 'n a dhuine calma, eireachdail, tuigseach, fiosrach, agus ainmeil air son feobhas a Ghailig. Cha robh beairteas aige; ach rinn e chulaidh-mhathais gu sgoil a's foghlum a thoirt dh' a chloinn. Le dicheall duineil, dealasach,

dh' ullaich Eobhan e fhein air son na h-Ardsgoil. Rainig e Abareadhain 'n a dheise Ghaidhealaich. Cha b' fhada gu an do thog a thalantan e gu bhi 'n a chulaidh fharmaid a's iongantais 's an Ardscoil; agus gu ire ainmeil mar chànanach. Mar bhard bu tearc a leithid; mar sgòileir bha e gun choimeas. Thionndaidh e gu Gailig, moran de 'n "Iliad," agus chuir e ri cheile an tromlach de dh-"Fhaclair a' Chomuinn Ghaidhealaich." Bha e tairis, caidreach mu 'chairdean, suairce, ceanalta 'n a ghiulan, agus lan deothais mu onoir a dhuthcha. Cumaidh a dhain Ghailig, Ghreugais, a's Laidinn, 'ainm air bhuan-chuimhne, ged a tha uaigh, mar nach aithidh, gun charn an Cille Mhaodain.

M. MACAOIDH, LL.D. — Rugadh e an sgìreachd Eadarachaolais an Cataobh 's a' bhliadhna 1793, far an robh a sheanair 's a' shinneanair 'n am ministeirean. Dh' eug e am Portobello 's a' bhliadhna 1873. Bha e air na sgoileirean Gailig cho ainmeil 's a bh' ann. 'S ann ris a dh' earbadh "Faclair a' Chomuinn Ghaidhealaich" an am a bhi 'g a' chlobhualadh. An uair a thainig e mach 'n a' mhinisteir, 's a' bhliadhna 1825, fhuair e Sgir Lagain. Seachd bliadhna an deigh sin chaidh e do sgìreachd Dhunomhain 's Chille-Mhunna. Bha e an sin gus an deach e mach leis an Eaglais-Shaor 's a' bhliadhna 1843. Bha e, 's a' bhliadhna 1849, 'n a' Cheansuidhe air an Eaglais sin. Chaidh e

air chuairt do dh-Australia, a' suidheachadh 's a' miadachadh eaglaisean am measg a' luchd-duthcha. Thill e air ais do dh-Albainn, agus ghabh e os laimh aodhaireachd Eaglais-Shaor na h-Earrabh; ach ri h-uine dh' fhag e i fo-churam fhir-cuideachaidh. Anns gach seadh bu Ghaidheal gu chul e. Bu charragh laidir 's an Eaglais-Shaor e, agus air a' sgath leig e dh' e a' h-aon de na beo-shlaintean a b' fhearr 's an Eaglais-Steidhichte. Dh' ullaich e "An Fhianais" 's e air thaisdeal-searmonachaidh 's "A' Bhraidealbann." An aon fhacal, choisinn e ainm dha fhein nach teid ri luas air dìochhuimhne.

DUNNACHADH BAN MAC-AN-T-SAOIR.

—Rugadh e 'n Gleannurchaidh 's a' bhliadhna 1724; dh' eug e 'n Duncideann 's a' bhliadhna 1812. Bho chionn beagan bhliadhnaichean thog uaislean fiughail carragh eireachdail air 'uaigh, an cladh Ghreyfriars, air am beil bradan, a's fiadh, a's ian; slat-iasgaich, a's gunna, 's adharc-fhudair, agus suaicheantais eile air an gearradh gu h-innealta. Rugadh e 'n a bhard, Cha b'aithne dha leughadh no sgrìbheadh. Is Nadur 'n a ailleachd fhiadh-ach a bheothaich 'n a inotinna na buadhan eugsamhail a th' air an taisbeineadh, gu h-àraidh 'n a orain-sheige. Tha "Beinn Dorain," a's "Coire-Cheathaich," agus "Cead deireann-

ach nam beann," a' airdh air aite ri taobh na bardachd is fhearr 's a Ghailig. Bha chuimhne cho math 's gun aithriseadh e 'n a sheann laithean, gun stad, gun mhearachd, an t-iomlan de gach dan a's oran a rinn e riabh. Tha a ranuachd nadurra, soilleir, comhnard, neo-reasgach; agus ged nach buisgoileir e, bu tearciad a thigeadhsus ris am mion-eolas air feartan na Gailig. Chaith e a laithean ris an t-sealgair eachd 's ris an t-saighdeir eachd. Bha e 'n a fhorsair aig Morair Bhraidealbann ann am Beinn Dorain 's an Coire-Cheathaich; agus aig Diuc Earraghaidheal ann frith Bhuach-aill-Eite. Thug e greis an Dion-fheachd Bhraidealbann. Bha e aig blar na h-Eaglaise-brice far an do chaill e "Claidheamh beamach Mhic-an-Leisdeir."

DUGHALL BUCHANNAIN.—Rugadh e an sgìreachd Bhochuidir 's a' bhliadhna 1716. Dh' eug e 's an teasaich an Raineach 's a' bhliadhna 1768. Dh' fhag e dithis chloinne. Bha athair 'n a thuathanach agus 'n a mhuilleir. Dh' eug a mhathair mu 'n robh e ach mu shia bliadhna dh' aois; 's a reir innse-sgeoil bu bhoirionnach math i. Fhuair Dughall sgoil cho math 's a bha dol ri 'linn; 's an uair a dh' fhag e i, chuir 'athair do'Chipein e dh' ionnsachadh na saorsainneachd; chaidh e 'n deigh sin do Dhunbreatunn. An laithean oige, le droch chuideachdas, leig e ruith dha fhein. Ri h-uine dh' fhosgail am Freasdal a shuillean, 's leig e dh' e a dhroch-

bheairt, 's leasaich e chaitheamh-beatha. 'S a' bhliadhna 1755, shuidhicheadh e 'n a mhaighistir-sgoile 's 'n a cheisteir an Raineach. Bha e dleasnach, saothreachail, beusach 'n a ghiulan 's an driachd so. Bu shar bhard e; tha bardachd air a chuid laoidhean cho math 's a th' againn 's a' Ghailig. Chruinnich e moran de dhanachd na Feinne air feadh Raineach, ach cha 'n eil sin an diugh air sgial. Bha e cuideachd, ag comhnadh Mhr. Stiubhart an am a bhi tionndadh an Tiomnaidh Nuaidh gu Gailig. Gheobhar eachdraidh a chaithimh-bheatha, mar is trice, fo 'n aon cheangal ris na laoidhean aige.

AILEIN DUGHALLACH.—Rugadh e an Gleann-Comhann mu 'n bhliadhna 1750. Chuir athair ris an tailleireachd e. Bha e ro ghair 's deagh thogail aige, 's le bhì falbh air feadh na tuatha, mar a b' abhaist do na tailleirean roimhe so, thog e moran de nòs nan Seann Ghaidheal. Uair a bha e fhein 's gille-cèairde dha bearrad-airachd air a cheile, chuir e an t-snathad 'n a shuil. Mheath an t-suil so an teile; air chor 's gu'n do chaill e shealladh. Is ann uime so a theirteadh "Ailein Dall" ris. Thoisich e air na h-orain 's dh' ionnsaich e an fhidhleireachd. Mu'n bhliadhna 1790, chaidh e dh' fhuireach do Phortlòchaidh faisg air Ionaròchaidh. Cha robh na h-amannan cho cruaidh, Gaillda 's a tha

iad an diugh; 's eadar a' chruit 's na h-orain rinn e seol air teaghlach eireachdail a thogail gu measail. 'S a' bhliadhna 1798, le comhnaidh Eobhainn Mhic-Lachainn, chuir e mach leabhar oran. Is ann mu 'n am so a rinn Mac-Mhic-Alastair a bhard fhein d'e, 's bha e tuille gun chùram mail no imrich. Cha 'n eil an ceathramh trian air sgial de chuid oran. 'N a bhardach, tha binneas, a's eagar, a's ciall; a bhriathrachas nadurra, gun fhacal a' talach air facal eile. Chuir e na h-drain a rithist an clò, ach thainig am bàs air mu'n robh an leabhar ullamh. Dh' eug e an Gleann-Gairidh 's a' bhliadhna 1829, 's chaidh a thiodhlaicheadh an Cillf hianain. Bha Ailein 's na bàird mar bha Oisein 's an Fhein.

CLEIR GHAIDLHALACH AMERICA.

The Publishers regret that owing to their having been unable to procure officially certified and complete lists of the Gaelic Churches abroad, they are now able to give only what they fear is a very defective list of a few of the Canadian Presbyterian and Catholic Gaelic-speaking clergymen. Next year, however, timeous steps will be taken to remedy these as well as other defects appearing in the present issue.
